All programming, scripting, samples, images and text Copyright $\ensuremath{\mathbb S}$ Sonic Cat Inc. All Rights Reserved.

Features : Auto generate music with freely chord setting Algorithmic composition 16-type multi-instrument MIDI save Pattern struct type System Requirements : Windows only : Windows XP / 7 / 8 (32-bit only) Pentium IV 1.6GHz or higher 512MB RAM or higher 120MB free disk space Supported Interfaces : Stand-alone

Overview

Chord Sketcher is Algorithmic composition.

All instruments are selected randomly. And all notes are created by random algorithm specially designed. So even if same tempo, same chord progression, it is not possible to make same songs. If you make song by chord sketcher, sometimes good and sometimes bad. If you're lucky, you can have creative song.

Installation

Installation downloaded .EXE file at your want directory. Please keep a copy for your original .EXE file.

Registration

- If you purchased Chord Sketcher, you will be received email & license cord for register by your email.
- Please enter that email and cord in the registeration window.
